STARFLEET is the fan organization with something for everyone. Members the world over are united in appreciation of the human adventure of *Star Trek*. Hundreds of chapters around the world link members to local fandom and the central organization.

Annual membership in STARFLEET begins with a package containing a membership card, membership certificate, handbook, and a listing of chapters throughout the world, including the one nearest you! The membership handbook will introduce you to STARFLEET's unique infrastructure that offers two membership options. One allows you to be an Associate Member with no obligation other than receiving membership materials and magazines. The other option provides a more futuristic atmosphere for those fans intrigued by the fleet structure within the *Star Trek* universe. After receiving the membership package, a new member will have the opportunity to sign aboard the starship (chapter) of their choice, hold a fictional rank and position, and take part in the chapter's *Star Trek* related activities and community service projects.

Another element of your STARFLEET membership is your yearly subscription to six issues of the *Communiqué*, our bi-monthly newsletter. The *Communiqué* contains current information on STARFLEET operations, regional and chapter activities, a list of upcoming conventions and other events, news and information on *Star Trek* media, and articles on the space program or related topics.

* STARFLEET Membership Classes & Rates

These membership classes and rates are effective 1 January 2000. Family memberships are meant for individuals sharing a residence or otherwise living in close proximity, and each family membership is limited to six people. Each family member receives a membership certificate and card, but only one copy of the bi-monthly *Communiqué* newsletter is sent per membership.
